About Us

The North Central Regional Planning Commission (NCRPC) Business Finance Program is a well-established program whose mission is to successfully increase banks and businesses access and approval of specialized financing programs for projects in North Central Kansas by informing them of funding options, reviewing loan feasibility, and providing loan packaging services to start, expand, or purchase a business.

Helping You Succeed

Let our program help you be successful in making a good first impression and in achieving financing for your business by helping you evaluate the following questions:

- Do you have enough down payment?
- Do you have enough operating capital?
- Are you asking for enough money?
- Have you established a need for your business?
- Is the cash flow sufficient to cover taxes/compensation/debt service?
- What if you don't have sufficient collateral?
- Have you adequately addressed management ability?

Services

PROJECT FEASIBILITY REVIEW — At no charge we will review project feasibility to obtain funding to start, expand, or purchase a business.

DISCUSS FUNDING OPTIONS — Let our staff determine the best possible mix of local/regional/state/federal programs available to fund the business project.

PREPARE LOAN APPLICATIONS — We prepare applications tailored to meet specific program requirements from the data provided by the client for a fee.

ADDITIONAL SUPPORT — We will accompany client to the lender of your choice and help answer questions.
